

Dear Patient,

Thank you for participating in the complimentary genetic testing pilot with NorthShore and Color™. To learn more about the offering, we are interested in your responses to the following questions:

AFFIX PATIENT LABEL HERE

**1. How did you hear about the Color test? (check all that apply)**

- NorthShoreConnect message before my physician appointment
- During an appointment with my physician
- Family
- Friend
- At an Immediate Care appointment
- Email/Postcard from NorthShore
- Other \_\_\_\_\_

**2. Why did you decide to have the testing? (check all that apply)**

- Family history of cancer or cardiac disease
- Physician recommended the test
- Interested in new healthcare technologies and genetics

**3. Please rank the conditions tested by Color in order of your interest (1– highest interest; 4– lowest interest)**

- Cancer risk
- Cardiovascular risk
- Pharmacogenomics (medication response)
- “Discovery traits” (ancestry, lactose intolerance, etc.)

---

**NEXT STEPS:**

You will be receiving an email from Color, our genetic testing partner, to set-up an account on the Color website. This log-in allows you to access the “Discovery traits” (e.g. ancestry) and also communicate with genetic counselors regarding your results. **Please complete this step as soon as you receive this communication from Color.**

If you have not received an email from Color within 3 business days, please check your email SPAM filter or contact **(847) 570-GENE**.
