

| LAB  | CODE   | TEST NAME                                  | CPT4 CODE |
|------|--------|--------------------------------------------|-----------|
| BSSC | IFEPEL | IFE and PE, Serum                          |           |
| BSSC | IMEUL  | IFE+Protein Electrophoresis, 24 Hour Urine |           |
| BSSC | IGDL   | IGD Quantitative                           |           |
| BSSC | IGEL   | IgE                                        |           |
| BSSC | ILGF2L | IGF-2                                      |           |
| BSSC | IGGS4L | IgG 4                                      |           |
| BSSC | IMIPL  | Imipramine + Metabolite                    |           |
| BSSC | TIMMCL | Immune Cell Function                       |           |
| BSSC | IFIXL  | Immunofixation serum profile               |           |
| BSSC | IGASUL | Immunoglobulin A Subclasses (1&2)          |           |
| BSSC | IGAL   | Immunoglobulin A, QT                       |           |
| BSSC | IGGSL  | Immunoglobulin G Subclasses                |           |
| BSSC | IGGL   | Immunoglobulin G, QT                       |           |
| BSSC | IGML   | Immunoglobulin M, QT                       |           |
| BSSC | IGMCL  | Immunoglobulin M, QT, CSF                  |           |
